Behold II (Study 20210120)

You have accidentally summoned a mysterious entity.
Fortunately, they are benevolent, and only whisper
dark knowledge in your ear before departing.

Hierophants, who by nature reveal the sacred and speak deep truths, often choose do so in the form of gossip or intrigue. Their small talk has unraveled empires.

Hierophany III (Study 20210122)

Familiar (Study 20210125)

There is something comforting about noticing a familiar not your own – a sign that someone very like you is nearby. You exchange knowing glances and a small blessing.

May you find a moment of calm, and opportunities for
new growth.

Connection (Study 20210129)

Everything is connected. This simple truth is the foundation from which we work.
